

CSR Projects and Programmes for the Financial Year 2024

During FY 2024, we undertook a diverse portfolio of CSR initiatives across Karnataka, Tamil Nadu, and Haryana, focusing on education, empowerment, and inclusion.

In Bengaluru, we supported infrastructure development and skill training for youth and differently abled individuals, including the distribution of six motorized adapted vehicles through the Government of Karnataka. Projects like these reflect our commitment to creating inclusive growth and empowering marginalized communities.

We partnered with several credible organizations including:

- **Finople Foundation**, to promote gender equality and reduce social inequalities.
- **Vishwabharathi Trust and Diya Jyothi Foundation**, to support the education of differently abled students.
- **Anandam Trust** in Chennai and **Literacy India** in Gurgaon, to advance women's empowerment and vocational skills.

Overall, the company has 21 **CSR initiatives**, primarily targeting education, health, and upliftment of underprivileged groups.
